

# DONATION RECOGNITION

The St. Finian's NS Astro Turf, Polytunnel + Sensory Garden Development Committee and School Community deeply appreciate each and every donation received. We would like to show our gratitude by offering the following tiers of recognition as a small gesture of appreciation for your financial support of our project.

*"To plant a garden is to believe in tomorrow"*

Audrey Hepburn

## **SPONSOR**

**€100 < €1,000**

Every donation, from €100 up to €1,000, will be acknowledged on a special page on the school website which will be dedicated to the project. This page will act as a reminder of the extraordinary community effort a project like this needs to come to life. It will also act as an inspiration for other schools around the country who wish to provide the same facility for their own students.

## **FRIEND**

**€1,000 < €3,000**

Every donation, from €1,000 up to €3,000 will be acknowledged on our project page on the school website and will also be acknowledged at our grand opening event, which will be celebrated by the whole community of Waterville and beyond.

## **PATRON**

**€3,000 +**

Every donation, from €3,000 upwards, in addition to the acknowledgements set out above for our Sponsors and Friends, will be included on a dedicated plaque positioned on the wall outside the school. This is of course up to the discretion of our Patron donor and any desire for anonymity will be respected.
